The screenshot shows the Adobe Connect interface. At the top left, there is a logo for Adobe Connect and the text "test for city bank". A large, colorful, abstract geometric graphic is in the background. A white dialog box is centered on the screen with the title "Where do you want to open the room?". It contains two main options: "Open in browser" with a globe icon and a sub-note "You won't be able to share your screen from browser", and "Open in Application" with a computer icon. Below these is a checkbox for "Remember my choice in this browser". At the bottom of the dialog, there are two links: "Download Adobe Connect Application" and "Enable Adobe Flash Player & open the classic view in this browser." A blue arrow points to the "Open in browser" option.

Adobe Connect

test for city bank

Where do you want to open the room?

Open in browser  
You won't be able to share your screen from browser

Open in Application

Remember my choice in this browser
